**Report
On
Financial Literacy Workshop**

Date: 5/8/2024

On 3rd August 2024, Saturday a comprehensive Financial Literacy Workshop was held at Dr. M. S. Gosavi Seminar hall, aimed at equipping students with essential financial knowledge and skills. The workshop targeted a diverse group, including SYMCA students, third year engineering students from all other departments and staff members, reflecting a wide range of financial literacy levels. The event was organized by department of MCA(Engg), in collaboration with BEAM outsourcing services(a SEBI smart organization), to address the growing need for financial education in our community.

CA Prasanna Pangam was the expert for the session. It started with formal inaugural , felicitation of the guest, addressing by Dr. P. A. Chaudhari, HOD(MCA). Then pre-input test was given by all the participants.

The session began with Mr. Prasanna introducing the fundamental concepts of budgeting and saving. He emphasized the importance of understanding income versus expenses and the necessity of having a clear financial plan. He also provided a comprehensive introduction to the world of investments, starting with the fundamental principles and gradually moving to more complex concepts.

Participants learned how to track their income and expenses effectively. They gained insights into different saving strategies and how to implement them in their daily lives. The interactive nature of the session allowed participants to apply theoretical knowledge to real-life scenarios.

Ms. P. N. Deshmukh proposed vote of thanks and the session ended with post input test and feedback collection. Ms. Akanksha Pathak(SYMCA) compared the event and SYMCA volunteers team executed the entire event smoothly.
