**Department of MCA Engineering**

# Program Overview

A special program was organized to welcome the freshers i.e.FYMCA Students . The event aimed to introduced students to the institution's values, opportunities, and positive experiences.

A program was organized by MCA department on 27-09-2024 for the students who have taken admission for MCA in the year 2024-2025 for first year in your college. Welcome function mainly organized by SYMCA students , based on the subject "Organization and Management."

**Date:** 27-09-2024

**Location:** MSG SEMINAR HALL, [Gokhale Education Society's R. H. Sapat College of Engineering, Management Studies and Research].....

**Objective:** To welcome the newly admitted first-year MCA students and help them acclimate to the college environment.

**Participants:**

- First-year MCA students
- Second-year MCA students (final year)
- Faculty members of the MCA department

**Inaugural Speech:**

- Welcoming remarks by Dr. P. A. Chaudhari, the Head of the MCA Department .
- Overview of the MCA program and its significance.
- Welcome by SYMCA Class coordinator Ms. T. U. Ahirrao as well as Ms. P. N. Deshmukh FYMCA Class Coordinator.

## Icebreaker Activities:

- Fun games to encourage interaction between first and second-year students.

## Presentation on Organization and Management:

- Conducted by final-year students.
- Insights into the subject and its relevance in the tech industry.

## Q&A Session:

- Open floor for first-year students to ask questions about the program, college life, and future opportunities.

## Networking Session:

- Opportunity for first-year students to connect with their seniors and faculty.

**Oral Feedback:**

- First-year students expressed enthusiasm about the program and found the icebreakers helpful.
- The presentation on Organization and Management was well-received, providing valuable insights.

**Conclusion:**

The program successfully fostered a sense of community among new students and provided them with essential information to help them navigate their first year. We look forward to more collaborative events in the future.
